To: All Agency Directors
 From: Kelly Butler, Director of Finance
 Date: March 16, 2020
 Re: Department of Finance Continuation of Operations

On Friday, March 13, 2020, Governor Kay Ivey declared a state of emergency in response to the pandemic outbreak of Coronavirus (COVID-19). As always, the health and safety of state employees is our top priority. Therefore, many Finance Department employees will be working remotely or utilizing flexible work schedules pursuant to Governor Ivey’s March 15, 2020 memorandum. I want to assure you that the Department is prepared to maintain all operations during this time and payroll, purchasing, and payables will be handled per our regular procedures.

We expect that agencies will experience urgent needs for purchasing goods and services and processing invoices for payment. Please call for assistance with urgent needs. Non-urgent requests are to be entered in the usual manner and will be processed as quickly as possible. If you experience difficulties with any transaction, please call for assistance.
